

Eastern Michigan University Black Alumni (EMUBA)
Book Scholarship Program

The Book Scholarship Program provides a \$500 book scholarship exclusively to students who are attending Eastern Michigan University. Scholarship awards will be awarded annually. The Eastern Michigan University Black Alumni association would like all recipients to use this scholarship funding towards books for the Fall or Winter term.

It should be understood that the selection of award scholarship recipients will be conducted solely by the Eastern Michigan Black Alumni scholarship committee. The university will not take part in the selection process nor recommend any applicant as a candidate for this scholarship.

We are proud to have helped hundreds of minority students who are in need of financial assistance in order to complete their educational goals for more than a decade. Providing a resource for funding educational pursuits at EMU is our major goal and we have contributed more than \$123,000 to this effort to date.

Sincerely,
Eastern Michigan University Black Alumni Association
